Trenton Police Department

The Trenton Police Department would like to thank all the businesses, organizations, and individuals that contributed to this year's Cops N Bobbers kids fishing event held on June 3rd, 2023 the North Central Missouri College Barton Farm Campus. We ended up with almost sixty girls and boys that were able to fish with Missouri Department of Conservation equipment and take part in other outdoor activities provided by Quail Forever. After fishing and during the door prize giveaway, CFM Insurance provided lunch for the attendees.

Cops N Bobbers allows area girls and boys to spend time with First Responders in a positive contact environment. Many of the youth that attend do not have the means or the opportunity to even participate in outdoor activities like this. For anyone who has never witnessed the excitement of a first fish or big fish, you are missing out. We would welcome everyone to come to our next Cops N Bobbers event scheduled for June 1st, 2024.

We appreciate our community support of our programs and events.

Hailing from Stillwater, Oklahoma, Read Southall Band will headline Friday, Aug. 4. Friday's lineup also includes Cody Canada and The Departed, Micky and The Motorcars, Alex Williams and local bluegrass band, Slow Leak. Gates open Friday at 2:00 p.m. with bands starting at 2:45 p.m.

Headlining Saturday, Aug. 5 is Missouri native, multi-platinum songwriter and country music artist, Chris Janson. Saturday's lineup also includes The Cadillac Three, Drake White, Dirt Road Addiction and Trenton's local band, Jayson Orr & Shop Band. Gates open Saturday at 2 p.m. with music starting at 2:45 p.m.

MAMF offers more bang for the buck, more bounce to the ounce! Attend and experience all the festival has to offer its fans. It's truly a can't miss summer tradition. The first 100 guests through the gate each day will receive a gift from BTC Bank.

Over 3,000 fans attend annually, supporting small rural communities, charities and live music. For a complete lineup each day and additional details about the event, visit MidAmericaMusic.com.

"The Mid-America Music Festival brings together music fans from all over the United States," said Jenn Hottes, Black Silo Foundation President. "Friends and family gather for a fun weekend to enjoy incredible music and unforgettable experiences. Bring a friend, pack a lawn chair or blanket or plan to camp for the weekend and enjoy all the festivities."

MISSOURI DEPARTMENT OF REVENUE

Further details have emerged regarding the reopening of the Trenton license office.

Laurie Stafford, the contract agent for the license office, has revealed her intention to restore operations at the office's previous location, where it operated until its closure on May 31st. It should be noted, however, that a change in the office's phone number will be necessary.

According to Stafford, the contractual agreement governing the license office will come into effect on August 1st, although the specific reopening date remains undecided at this time.

During operational days, the office will be accessible to the public from 8:30 a.m. to 4:30 p.m., Monday through Friday. To accommodate the staff's lunch break, the office will be closed between noon and 1 p.m.

The Missouri Department of Revenue selected a proposal for the operation of the Trenton license office on June 27th, they officially awarded the request for proposals to Nickels and Dimes in Milan. Laurie Stafford is the proprietor of Nickels and Dimes.
